PRESIDENT: The Legislature please come to order. Everybody please register your presence please.

CLERK: Senator Kremer asked to be excused until he arrives, Mr. President.

PRESIDENT: Any objections. If not. So ordered. Please register your presence. Will the Sergeant at Arms.

CLERK: Quorum present, Mr. President.

PRESIDENT: The Legislature is in session. The Chair would say that since there were not thirty votes to go to General File. We should take care of Select File and get that over with, so our crew can get to work on this.

CLERK: Committee wishes to report 354 and 755 correctly engrossed. Mr. President, on Select File there are no bills to advance except those which are bracketed, and we have a series of motions. The first one is LB1028. I move to return LB1028 to Select File for specific amendments (Signed) Senator Proud. And the specific amendment is found on page 1150 in the Legislative Journal.

PRESIDENT: Senator Carpenter.

SENATOR CARPENTER: I don't propose to remain quiet until we get back onto Final Reading.

PRESIDENT: You say Final Reading or General File.

SENATOR CARPENTER: Final Reading. Those bills are extremely important, if we get embarked on attempting to bring back bills to Select File we'll be here all afternoon doing that. Now for one would like to see what we are going to with these State Aid to Public Schools, there are two there ahead of Final Reading. And I object to going out of procedure. We should revert to Final Reading and read the bills on Final Reading.

PRESIDENT: Senator Carpenter, we've read the only bill that was up for Final Reading. And it was for designated for today we have read it.

SENATOR CARPENTER: Now do these other...when do these two School Aid Bills.

PRESIDENT: Those come up tomorrow.

SENATOR CARPENTER: Well, I then move to suspend the rules and read them now. These are everything we revolves around these School Aid Bills insofar as money is concerned. What we do with these two bills, if anything are going to depend on what we do on other appropriation bills. You may not want to do it, but I'm going to try to do it.

PRESIDENT: Senator Proud.

SENATOR PROUD: Well, Mr. President. The only thing I'm concerned about of course is my own motion, but we hashed this out this morning. I thought, as to...I'd like to ask a question of Senator Dickinson.
